Dear Chairman Cohen, Chairman Gresko and Distinguished Members of the  
Environment Committee,

I am writing in support of House Bill No. 5145 - AN ACT CONCERNING THE USE OF  
PORTABLE WASTEWATER CONTAINERS.

The pandemic has exacerbated the camping industry growth. Providing campers in  
Connecticut with the ability to use of portable wastewater holding tanks, known as "blue  
boys", for transferring wastewater from a camping unit to a sanitary disposal station at  
both state and private campgrounds will enhance the camping experience and deter  
campers from illegal dumping.

Best Regards,
